(AAI) have granted permission to the NHAI to work on their land. Hence, the progress of the work is likely to improve further. The Government of Haryana is also yet to transfer 21 acres of land to NHAI and the matter is being actively pursued with them.

Accidents on National Highways

3206. SHRIMATI AMBIKA SONI:
SHRI K.B. KRISHNA MURTHY:
SHRI SANTOSH BAGRODIA:
SHRI HARISH RAWAT:

Will the Minister of SHIPPING, ROAD TRANSPORT AND HIGHWAYS be pleased to state:

(a) whether it is a fact that about 75,000 people are killed every year in road accidents, most of which occur on National Highways;

(b) how many people were killed in road accidents on National Highways during the last three years, State-wise;

(c) the quantum of amount spent by Government for the safety of the lives of Highway users and the benefits accrued therefrom;

(d) the details of the facilities provided for the safety/benefit of the Highway users and the arrangements made to provide emergency medical aid to accident victims; and

(e) the steps taken to check accidents on national highways?

THE MINISTER OF STATE IN THE MINISTRY OF SHIPPING, ROAD TRANSPORT AND HIGHWAYS (SHRI K.H. MUNIYAPPA): (a) and (b) As reported by the State Government, the details of persons killed in road accidents on all roads and National Highways during the year 2000, 2001 and 2002, on a state-wise basis is enclosed as statement (*See* below).

(c) and (d) Road Safety features are an integral part of road engineering projects. It is not possible to quantify the exact amount earmarked for road engineering related Road Safety activities on National Highways.

Besides, Central Government administers a number of road safety schemes which aim at inclucating an awareness about road safety amongst all road users including those on National Highways, refresher training of drivers of heavy vehicles in unorganized sector and to provide road safety equipments like crane and ambulances for clearing accident sites and

evacuating accidents victims to the nearest medical aid centre etc. During the first two years of Tenth Five Year Plan i.e. 2002-03 and 2003-04, an amount of Rs. 29.75 crores and Rs. 34.80 crores respectively was spent on such activities.

Ministry of Health and Family Welfare also provides assistance to the States/UTs under the scheme of 'Assistance for Capacity Building' for upgradation of emergency services/trauma care facilities in Hospitals including those located near the National Highways for the purpose of treatment of accident victims.

(e) Some of the important steps taken by the Government besides highway design to check the road accidents on National Highways are as under:

(i) Grants-in-aid to voluntary organizations for administering road safety programmes.

(ii) Publicity campaign on road safety awareness through audio-visual-print media.

(iii) Encouraging use of simulators in driver's training.

(iv) Institution of National Award for voluntary organizations/ individual for outstanding work in the field of road safety.

(v) Organizing All India Essay Competition on road safety for school children with a view to create awareness.

(vi) Tightening of fitness norms for transport vehicles.

(vii) Widening and improvements of National Highways etc.

Statement

State-wise number of Persons Killed in India on all Roads and National Highways
